FEATURING THE CZECHMATES® DIAMOND™

You only need three types of beads—CzechMates® Diamonds™, TOHO® seed bead rounds, and firepolish rounds—to stitch this component-based bracelet for yourself or a loved one.

ABOUT THE ARTIST: KELLY DALE

Author, Designer, Teacher, and Lover of Beads

I have been beading for the last sixteen years and am self taught. Seed beads are my chosen medium. There is just something about seeing single beads being turned into a masterpiece that excites me. I love to teach beaders my designs at my store and online. Helping people learn the art of beadwork is my passion and brings me great joy in life.

COLORWAY: CzechMates Diamonds ColorTrends Saturated Metallic Ultra Violet (398-46-05A06); TOHO Rounds 11° Permafrost - Galvanized Golden Fleece (TR-11-PF592); Firepolish Rounds 6mm Saturated Metallic Blooming Dahlia (1-06-05A07).

INSTRUCTIONS

- Component:** On 2' of thread, add A, B; repeat three times, leaving a 5" tail. Pass through all beads again (not shown) and tie a knot against the tail to form a ring. Pass through the first A added and jump to the open hole of the same A. Add C, then pass through the open hole of the next A; repeat three times. Pass through the first C added.
 - Add three B, then pass through the next C; repeat three times. Pass through the first two B added in this step.
 - Add three B; pass through the next B of Step 1. Add three B; pass through the center B of the next three-B set of Step 2. Repeat from the beginning of this step three times. Pass through the next B of Step 2 and the nearest C. Tie off the tail thread; don't tie off the working thread.
- Repeat Steps 1–3 six times.
- a) **Clasp 1:** Add two B, A, six B; pass back through the open hole of the last A added. Add two B; pass through the C exited at the beginning on this step. Repeat the thread path for strength (not shown) and weave through to exit the opposite C. b) **Connection:** Add two B, A, two B; pass through the C of a second component that's opposite that component's working thread. Add two B; pass through the open hole of the last A added. Add two B; pass through the C exited at the beginning of Step 4b. Repeat the thread path for strength and tie off (not shown).

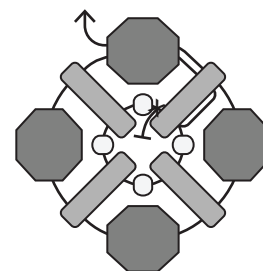

Repeat Step 4b five times to connect the remaining components end to end and faceup. Use the final component's thread to repeat Step 4a. Tie off.

Use jump rings to attach the clasp to the B loops at each end.
