CZECHMATES™

2-HOLE SYSTEM
BUILDING BLOCKS OF MODERN BEADING
TWO-HOLE BEADING SYSTEM™

Two hole beads don't just connect one strand to another, they add stability, shape and definition to any beadwork design.

THE BUILDING BLOCKS OF MODERN BEADING

CONSTRUCT:

Build 3-dimensional designs that transcend previous boundaries.

Beaded Bead by TrendSetter, Eileen Barker

CONNECT:

Bead confidently knowing that all CzechMate shapes are compatible with each other; preventing bunching, warping and slanting.

Bracelet by TrendSetter, Kathy Simonds

SCULPT:

Create a bracelet foundation using basic stitches faster than with traditionally used seed beads.
